

Dance (BA)

DANCE (BA) is a program of Webster University in the College of Fine Arts. This program is offered by the Leigh Gerding Department of Dance and is only available at the St. Louis main campus.

Program Description

Webster University's Department of Dance in the Leigh Gerding College of Fine Arts educates students to become skilled, creative and compassionate thinking artists for 21st century careers as performers, choreographers, educators and scholars.

Learning Outcomes

- Performance: Perform, with professional integrity, a variety of techniques and styles with a broad spectrum of expressivity and quality technical expertise.
- Choreography: Create work that demonstrates understanding and exploration of fundamental choreographic concepts while displaying the ability to identify and articulate the application of these concepts in the choreography of others.
- Teaching: Create and execute exemplary, innovative lesson plans for a variety of ages, techniques and populations; develop skills to communicate movement vocabulary to others.
- Research: Identify and examine independent research interests with curiosity and academic rigor.
- Function effectively in a variety of professional contexts, displaying global awareness through intrapersonal, interpersonal, collaborative and technological skills.

Special Requirements

Courses completed with a grade of D do not count toward fulfilling the specific course requirements of the major.

Acceptance to the Department of Dance as a degree-seeking student, BA or BFA is by audition and consists of the following:

- An interview to discuss career goals and past history.
- Submission of résumé.
- Performance of approximately two to three minutes of choreography.
- Participation in a ballet and modern technique classes.
