Tuition, Refunds and Fees - Veterans' Educational Benefits

The fourth paragraph under the **Veterans' Educational Benefits** section should read:

Veterans who provide Webster University with a certificate of eligibility for entitlement to educational assistance from the VA under chapter **31, 33, or 35** will be allowed to access classes, libraries or other institutional facilities even if payment from the VA is delayed. Students will not need to seek additional funding or incur late fees due to a delayed disbursement.

27 July 2022

Admissions - English Language Proficiency - English Language Placement Testing

English Language Placement Testing under **English Language Proficiency** should read:

Students admitted on conditional admission must sit for the University's on-campus English language testing prior to registration. The results of this evaluation will enable the academic advisor to place the student in appropriate coursework. Options include intermediate and/or advanced English as a Second Language (ESL) courses only; ESL courses in combination with academic courses; or academic courses only. Webster University will refer for testing any student about whose English language proficiency an academic department, an individual faculty member, or an academic advisor has concerns.

For any other questions regarding English proficiency requirements, please contact the Office of Admission at the campus in which you are applying. Additional information on Webster's ESL program can be found at <https://www.webster.edu/humanities-social-sciences/glcs/english-second-language.php>
