#### USING THIS GUIDE

This guide outlines a path for degree completion at Webster University for a Bachelor of Arts in Management for students entering with an Associate in Science in Business Administration for Transfer degree from Cypress Community College. This should not be used in place of individual academic advising. Students are strongly encouraged to meet with a Webster University transfer admissions counselor early in their academic career to ensure a smooth transfer experience.

The primary objective in creating this transfer program is to provide the opportunity for prospective students to combine CCC's excellent foundational Business Administration for Transfer degree program with a high quality liberal arts and management specific p
